COLLEGE OF LIBRARIANSHIP UNIVERSITY OF SOUTH CAROLINA WINTER 1980

Upcoming Events at Davis College

Several workshops and a series of Saturday classes are scheduled for the Spring at Davis. Registration for the events will be done through the College.

"The Disabled Child in the Library" will be taught on three Saturdays. The dates are February 23, March 15, and April 26. The course will be taught by Pam Barron, Marilyn Karrenbrock and Linda Lucas. The cost will be $45.00.

Two workshops are planned for April. "Getting Ready for AACR II" will be on April 3, and "AACR II Rules" will be on April 4. These two workshops are designed to assist librarians in understanding and interpreting the new Anglo-American Cataloging Rules. Topics to be covered will include: a short synopsis of the development and philosophy of the new code, identification of the major changes, and discussions of both rules for description and rules for access points.

The emphasis will be on assisting technical service librarians and catalogers in implementing the AACR II.

Participants in AACR II Rules must have attended the April 3 workshop on the AACR II workshop offered by the College in the Spring 1979.

Fee for the workshops will be $18.00 per workshop and $21.00 if Continuing Education Units credits are desired. Contact Virginia Patterson at 777-3858 for more information.
